Essay Questions

Please select **three** questions from the list below. Answers can be submitted on a separate document and should be approximately 200 words each.

1. How did you first become interested in the field of child life?
2. Please describe a meaningful play interaction you have had with a child and the value of the interaction.
3. Please share a time when self-reflection informed your work with children and families.
4. How do you embody cultural consciousness while working with children and families from backgrounds other than your own?
5. What do you believe will be your unique contribution to the field of child life?

Application Check List:

- Resume and cover letter
- Practicum application (essay questions on a separate document)
- Two reference forms (one must be from a supervisor who has observed your work with children and families)
- Transcripts from all universities that you attended (unofficial transcripts are accepted)
- Letter of recommendation (optional)
